The youth ministry will involve volunteer work, service activities with the elderly from the parish, and keeping our Polish heritage alive by learning about the traditional foods, and much more. In addition, we will be doing numerous fun activities as a group. We are looking for interested boys and girls ages 13+. There will be no cost to join, although some activities may involve a small cost. There will be an orientation coming soon to discuss when and how long we will be meeting for. ### Choose Life

Commenting on a Belgian man who awoke from a coma after 23 years having been misdiagnosed as being in a persistent vegetative state, a member of Belgium's Coma Study Group observed, "Despite the importance of diagnostic accuracy, the rate of misdiagnosis of vegetative state has not substantially changed in the past 15 years with up to 43% of patients with consciousness disorders misdiagnosed as being in a vegetative state." *San Diego Union Tribune*, 11/24/09. Please pray that our celebration of Easter may lead us to a renewed commitment to respect for all human life.
